AND NOW! An *Indian* for the WATERWAYS

THE *Silver Arrow*

A WORTHY BROTHER to the *Motorcycle* that holds the World's Speed Records . . . the World's Endurance Records . . . and other trophies earned in Competition where Superior Performance Wins!

INDIAN *Silver Arrow* is a Class B motor of 19.36 cubic inches piston displacement. Starts at a turn of the flywheel and revs up to 4500 with a radiant smoothness that's a treat to the outboard enthusiast. Plenty of pep, power and performance.

See—try the *Silver Arrow* to appreciate outboard motoring at its best.
