2020 Tomahawk Nationals Update

At this time the Northwoods Chapter of the AOMCI has made the extremely difficult decision to cancel the 2020 Tomahawk Nationals scheduled to be held August 4 - 7 at Sara Park in Tomahawk. With the uncertainty of what is to come with COVID-19, we feel we simply cannot risk the responsibility of any illnesses for our members, volunteers and guests. The Lincoln County Health Department is strongly recommending no gatherings of more than 50 people be held. The majority of other larger activities in Lincoln County have been cancelled for the year.

However, looking ahead to 2021, we plan to hold an International meet in Tomahawk with special emphasis on celebrating Johnson Outboard's 100th Anniversary. This will make 2021 an extra special year and we plan to make it great. The dates of the 2021 International Meet are August 3 - 6, 2021.

We know there will be many disappointed people, but we hope you understand that we consider the safety of our members and volunteers to come first. The Northwoods Chapter has been in contact with the City of Tomahawk City Clerk and anyone with a reserved spot at Sara Park for 2020 will automatically be carried over to 2021 with no further action needed on their part.
