

## Club History

Outboard motors have been manufactured for over 100 years. Therefore, it is no surprise that people became interested in collecting antique outboards. Interest became so widespread that by October 1966, membership had increased to more than 200 members. Club growth continues with membership exceeding 3,000 dedicated members from 10 countries.

## Club Publications

You'll get full bore coverage on outboarding subjects in quarterly club magazine.

### "The Antique Outboarder"

History, restoration, technical reports, vintage outboard racing, special features, chapter news and classified advertising section. Where members can buy, sell or trade motors, parts and literature.

## Club Website

Website provides coverage on local club events, resources, technical forums and discussion boards. Public sections and special member section.

The Antique Outboard Motor Club

### See us on Face Book

Our mission is to create from battered, worn, grease covered selection of compatible parts. Challenge of breathing life into these parts ending with motor to enjoy and be proud of.

You reached this point by searching for scarce parts, owner's and instruction manuals. Things available through club resources with membership support.

Club meets can be wet or dry meet. May allow test running of motors, parts swapping but always include shop talk with friends having same interests as you.

**EVINRUDE**

The Antique Outboard Motor Club

## World-wide Non-Profit Organization Devoted to People Interested in Antique Outboard Motors. Their Restoration and Preservation.
