

## THE ANTIQUE OUTBOARD MOTOR CLUB, INC.

Because of many requests for information about antique outboards for parts, price and general information, we thought it might be a good idea to print the Club's complete address and their purpose.

The Antique Outboard Motor Club is devoted to people all over the world who are interested in the search for, restoration and preservation of old-time motors. Headquarters are at:

The Shipyard Museum  
750 Mary Street  
Clayton, New York 13624

Dealers can inform customers who want information on antiques or have old outboards, boats or inboard motors, that the club is a nonprofit organization and donations of equipment are tax deductible. Also, the club maintains a file on antiques, plus prints a magazine and newsletter several times a year.
