EVINRUDE QUICK REFERENCE GUIDE

INTRODUCTION

This Quick Reference Guide is compiled expressly for Evinrude dealers. It contains information on accessories, common and optional parts, and special service items available thru your area Parts Distributor. Listings of latest service tools and equipment, available from Outboard Marine Parts Depot, are also included. You will find this book a time-saver. Become familiar with it. This reference information is not readily found in other catalogs.

CONTENTS

ACCESSORIES AND SPECIAL SERVICE ITEMS -- A listing of accessories available for current models, as well as those still available for previous models. Also, group listings of special service items such as decal sets, 5" extension kits, paints, etc.

COMMON AND OPTIONAL SERVICE PARTS -- Here are selected listings of fast moving parts common to more than one model--a helpful guide when ordering parts for some older models. This section also contains charts covering such items as lubrication, spark plugs, shear pins, etc.

SERVICE TOOLS - MOTOR STANDS -- A complete listing of all Evinrude service tools, test propellers, propeller straightening forms and motor stands.

SERVICE AIDS -- This section contains information on service publications, material, forms, etc., which help to "round out" the smooth functioning, well managed service shop.

EVINRUDE QUICK REFERENCE GUIDE

LUBRICATION CHART for EVINRUDE OUTBOARD MOTORS 1947 thru 1983

- GASOLINE:** Use regular automotive gasoline or white marine gasoline. Higher octane fuels may be used, but generally offer no advantage.
- OIL:** Use a reputable outboard motor oil or a Regular SAE 30 grade automotive engine oil (NOT HEAVY DUTY). Avoid the use of low price, third grade (NL) oils.
- LUBRICANT:** Use only the gearcase lubricant recommended in chart below. Check gearcase regularly - add lubricant as necessary - keep filled.
